

# Serving Our Customers, Our Community

As a customer-owned public utility, Northern Wasco County PUD is committed to our customers and the communities we serve. We celebrate the efforts of those who work to better the lives of our friends and neighbors and are proud to lend our support. Here are just a few of the programs NWCPUD has assisted this year.

Thank you for having our  
"tree of giving" We appreciate  
your support! St. Vincent de  
Paul was able to help  
403 Children and 46 Seniors  
this season with your help!!  
Thank you so much!

For 15 years The Dalles  
Bowling Association sponsored  
a stamp program.  
The Dalles no longer has a  
Bowling Facility, but I am  
and will continue collecting  
postage stamps for the Veterans  
For the period May 2009 -  
May 2010 - I am sending them  
40 pounds of stamps. That is  
Approx. 107,760 stamps.  
Thank you for your help  
with this year round project.  
Sincerely,  
Betty McDonald
